EVER™**

- Y Summer Camp at OLEC: Age 7 - 8th grade.
- CIT Program: Teens Entering 9th & 10th grade.

Y SUMMER CAMP AT OLEC

A quintessential Maine day camp for kids ages 7 through the 8th grade located at the Y's 95-acre Outdoor Learning and Education Center (OLEC) between Stetson & River Roads in Auburn. Morning drop-off and afternoon pick-up will be at the 151 Stetson Road address. This day camp experience boasts a large playing field, swimming pool, basketball court, Gaga pits, wooded areas, a brook and more! Character-building is part of all Y Summer Camp activities, which include a low-ropes course, team building, cooperative games, outdoor sports, and traditional camp activities like arts & crafts, environmental education, and archery. Our programs are licensed by the State of Maine.

Counselor-In-Training (CIT) Program [Teens entering 9th & 10th grade]

You're never too old for camp! Teens in the Counselors In Training program build confidence and leadership skills alongside trained staff mentors, The Counselor-In-Training (CIT) Program provides leadership training for teens. In effect, CITs stand on a bridge between camper and staff. CITs gain valuable counseling skills needed to ensure a smooth transition to future staff positions. Successful completion of this program may lead to a Counselor position the following year.

The CIT program is not for everyone- candidates must be ready and willing to put the needs and interests of campers ahead of their own. The CIT program is for those interested in helping to bring the magic of camp to our campers. There is an expectation of increased maturity and ability to be a positive role model. CITs are monitored and evaluated by all staff. Evaluations are a basis for hire as a Counselor for the following summer. FMI contact Abby Fuller at afuller@alymca.org.

BEHAVIOR MANAGEMENT POLICY AND AGREEMENT

Staff govern the behavior of each child and attempts to work through issues/conflicts as they occur.

- There may be particular or special needs which our staff is not trained to manage, or that our staff to child ratio is not adequate to serve.
 - All participants must be able to participate safely, following all program rules and structure.
- **We do not provide one-on-one supervision** and retain the discretion not to enroll or to remove a participant from our program if that child is not able to participate safely in the program.
 - Children that require a one-on-one aid in school must provide that support in our programs, via family effort.

Staff will process all issues directly with the child using Positive Discipline Techniques in an effort to resolve the issue and assist the child in making better choices. If on-the-spot redirection is not effective and negative behaviors persist negatively impacting the experiences of others, or quality of programming:

1. **Take a Break:** The child may be removed from an activity and take a break, giving them time to relax and find some distance from the conflict. Staff will process the issue or concern with the child, identify better choices and the type of behavior we want demonstrated. They will return to their group when ready.
2. **Second Break:** If a child is asked to take a second break from the program, staff will talk to them again about what is going on and create a plan for the remainder of the day. In some instances, the parent may be called, informed of the child's behavior, and asked to speak with the child in an effort to help redirect their behavior. The child will go back to their group when ready.
 - a. Staff will document behavior on a Behavior Report. Parents will be asked to read and sign the report, outlining the misconduct or inappropriate behavior.
3. **Third Break & Phone Call:** When on-the-spot redirection and steps 1 & 2 have been previously utilized, and the negative behavior persists, a phone call will be made for early pickup. A conversation with the parent will take place and a plan will be worked out for future conflicts.
4. **Suspension:** If a child has reached the point where they have been required to be picked up early on multiple occasions or have received multiple Behavior Reports outlining the same issues, a suspension of up to a week will be implemented.
 - a. A meeting scheduled before the child can return to programming.
 - i. A behavior plan will be developed with input from all parties, and implemented, in a continued effort to help the child succeed in a positive and safe environment.
 - ii. Parent and Staff/Director will communicate often to make sure the plan is making the desired impact.
5. **Expulsion:** The child will be expelled from the program if the behavior plan is not followed, and negative behaviors persist.

Please note: If an issue is severe, steps 1-2 may be skipped to deal with a situation appropriately. If a child jeopardizes the safety of his or her peers, they could be sent home for the day or suspended from the program. We will work with families to the best of our abilities to avoid suspension or expulsion from the program. However, **behaviors that may trigger an immediate dismissal or expulsion include, but are not limited to:**

- Running out of area or away from staff; Throwing toys, chairs, etc.; Physical aggression: hitting, kicking, pinching, grabbing, spitting, pushing etc.; Jumping from equipment, tables, chairs, etc.; Knocking over supplies, equipment, tables, chairs, etc.; Outbursts of inappropriate language, or threatening others.

NO REFUND WILL BE GIVEN for the period of care if a child is dismissed for behavioral reasons.

I have read, understand, and acknowledge the expectations outlined in the Youth Development Behavior Contract as well as the Behavior Management Policy and Agreement.
